Project: Digit Ratio (2D:4D) and Patterns of Sleep

Dear Dr Kuczyński,

This letter is to confirm that I will be a co-investigator in your study investigating the relationship between the digit ratio and sleep physiology, mental health as well as sexuality in young adults. For this collaboration, my team will be recruiting from the University of Otago students. My team and I will be actively involved at all stages of this study including data collection, analyses and manuscript preparation.

Yours sincerely,

Dr Erik Wibowo
